Brief Product Description			

The trade stands are mostly set around the perimeter of the main hall, against the wall, with 8 - 9 foot depth. The price per foot width of stand is £14.00 however, an "early bird" discounted price of £12.00 applies where full payment is received before the end of July 2026. This means that as long as you pay in full by that date the rate for anyone not VAT registered is about 13% less % just 4% more for those that are.

Tables & Electricity

As some traders need tables to be provided, whereas others are fully self-sufficient, it seems fair to pass on the cost we incur hiring the tables only to those using them. We can supply wooden trestle tables measuring approximately 6ft x 2ft (1.8m x 0.6m) for £7.80 each. Please indicate the number of tables desired & if a specific layout is desired, please include a sketch. There is no charge for the use of chairs.

Electricity is available for a nominal charge of £15.00 Unfortunately we have to make this charge to cover the charges made by the venue.

Advertising.

To help promote the event we will be producing some A5 size, full colour, glossy print flyers. If you would like some of these (free of charge) to send out to your customers, just let us know how many you would like.
